DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This Colonial Revival style house, built in the 1930's, is almost identical in design to 308 Oakley Street. It is symmetrical with the exception of a one story screened porch on the south. The slate hip roof has a modillioned cornice, and there are two hip roofed dormers on the front. Each dormer window is flanked by short pilasters. The corners of the three bay front facade are also accentuated by pilasters. In front of the center door is a flat roofed portico supported by fluted ionic columns. The windows are all twelve over twelve sash. There is a chimney on the north and south sides of the house.
